

How to reach LM Wind Power Amsterdam

By Car

Driving on the highway A-4 between Amsterdam and The Hague:

Follow the directions to Schiphol and take the second turn-off to the left (*keep following the indicated signs to the World Trade Center Schiphol*).

Go down to the right at the traffic light and make another right turn. Drive past the Triport building and continue on the same road until you come to the parking facility of WTC Schiphol.

Our Business & Conference Centre in the World Trade Center is immediately above the parking facility.

By Train

After leaving your train you take the elevator or the escalator up to the central hall of Schiphol Plaza. Steer towards the car rental desks in the right corner of the hall. To the right of these you will see an escalator leading towards the Sheraton Hotel and World Trade Center.

Take the escalator up and continue along the corridor until you reach the entrance of the World Trade Center.

Enter, go up the escalator, turn left and immediately turn right.

Continue along the main corridor until you reach Tower H.

Take the elevator to the 8th floor.

You will find the LM Wind Power offices to the right when leaving the elevator.
